System Hardware & Software Requirements

The eDeposZip program works with standard device drivers used for everything from desktop flatbed scanners and all-in-one devices to multi-feed duplex scanners. eDeposZip supports multiple operating systems and browsers, as well as Java and ActiveX controls. The following are the minimum currently supported environments:

- Windows XP with Internet Explorer 7+, or Vista with Internet Explorer 7+
- Windows XP or Vista, with Firefox 2+
- Windows 7

Note: The recommended version of the browsers listed above are Internet Explorer 8 and Firefox 3
