IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING AN ACCOUNT								
To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person or business that opens an account. What this means for you: When you open an account, we will ask for your name, address, date of birth, if applicable, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

	TIN CERTIFICATION AND BACKUP WITHHOLDING INFORMATION				
 Under penalties of perjury, the undersigned certifies on behalf of the Account Owner that: 1. The number shown on this form is the Account Owner's correct taxpayer identification number (or the Account Owner is waiting for a number to be issued), and 2. The Account Owner is not subject to backup withholding because: (a) it is exempt from backup withholding, or (b) it has not been notified by the Internal Revenue Service (IRS) that it is subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified the Account Owner that it is no longer subject to backup withholding, and 					
 The Account Owner is a U.S. citizen or other U.S. person. For federal tax purposes, the Account Owner is considered a U.S. person if the Account Owner is: an individual who is a U.S. citizen or U.S. resident alien; a partnership, corporation, company, or association created or organized in the United States or under the laws of the United States; an estate (other than a foreign estate); or a domestic trust (as defined in Regulations section 301.7701-7). The FATCA code(s) entered on this form (if any) indicating that the Account Owner is exempt from FATCA reporting is correct. 					
Certification Instructions. Check the box for item 2 above if the Account Owner has been notified by the IRS that it is currently subject to backup withholding because it has failed to report all interest and dividends on its tax return. Checking the box serves to strike out the language related to underreporting. Complete the appropriate W-8 form if the Account Owner is not a U.S. person. If a separate W-8 form is completed, your signature does not serve to certify this section.

CERTIFICATION REGARDING BENEFICIAL OWNERS OF LEGAL ENTITY MEMBERS

WHAT IS THIS FORM?

To help the government fight financial crime, Federal regulation requires certain financial institutions to obtain, verify, and record information about the beneficial owners of legal entity members. Legal entities can be abused to disguise involvement in terrorist financing, money laundering, tax evasion, corruption, fraud, and other financial crimes. Requiring the disclosure of key individuals who own or control a legal entity (i.e., the beneficial owners) helps law enforcement investigate and prosecute these crimes.

WHO HAS TO COMPLETE THIS FORM?

This form must be completed by the person opening a new account on behalf of a legal entity with any of the following U.S. financial institutions: (i) a bank or credit union; (ii) a broker or dealer in securities; (iii) a mutual fund; (iv) a futures commission merchant; or (v) an introducing broker in commodities.

For the purposes of this form, a **legal entity** includes a corporation, limited liability company, or other entity that is created by a filing of a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in the United States or a foreign country. **Legal entity** does not include sole proprietorships, unincorporated associations, or natural persons opening accounts on their own behalf.

WHAT INFORMATION DO I HAVE TO PROVIDE?

This form requires you to provide the name, address, date of birth and Social Security number (or passport number or other similar information, in the case of Non-U.S. persons) for the following individuals (i.e., the **beneficial owners**):

- (i) Each individual, if any, who owns, directly or indirectly, 25 percent or more of the equity interests of the legal entity member (e.g., each natural person that owns 25 percent or more of the shares of a corporation); **and**
- (ii) An individual with significant responsibility for managing the legal entity member (e.g., a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President, or Treasurer).

The number of individuals that satisfy this definition of "beneficial owner" may vary. Under section (i), depending on the factual circumstances, up to four individuals (but as few as zero) may need to be identified. Regardless of the number of individuals identified under section (i), you must provide the identifying information of one individual under section (ii). It is possible that in some circumstances the same individual might be identified under both sections (e.g., the President of Acme, Inc. who also holds a 30% equity interest). Thus, a completed form will contain the identifying information of at least one individual (under section (ii)), and up to five individuals (i.e., one individual under section (ii) and four 25 percent equity holders under section (i)).

The financial institution may also ask to see a copy of a driver's license or other identifying document for each beneficial owner listed on this form.
